

How to study breeding shorebirds?

ÉLVONAL Shorebird Science Fieldwork Training Camp

We are offering a free fieldwork training camp/workshop on field techniques for studying breeding shorebirds. This camp is suitable for those who have firm plans to study breeding shorebirds. Participants are responsible for their own travel, accommodation and food.

Who: Dr. Vojtěch Kubelka, Scientific Coordinator, ÉLVONAL project with support from Prof. Mike Weston, Deakin University

What: Participants will learn international protocols for collecting data on breeding shorebirds: <https://elvonashorebirds.com/research/>, including protocols for capture, marking and sampling (permit and safety restrictions and requirements apply)

Where:
south-western side of Melbourne, Australia

When:
21 – 24 November 2019

Please **register** to express interest by email to mweston@deakin.edu.au by 1 November 2019.
