

**IV.ÉLVONAL conference, virtual event**

**8-9 January 2021**

**Sex roles and breeding ecology of shorebirds**

Final programme

Photo: Vojtěch Kubelka

## Organizers:

Fanni Takács

Karola Szemán

Dr. Vojtěch Kubelka

Dr. William Jones

Zsófia Tóth

Prof. Tamás Székely

## Sponsors:

UNIVERSITY of  
**DEBRECEN**

**EVOL ZOOLOGIA**  
**UNIDEB**

Please note that: start and end times of each sessions are normative time frames. Extension or shortening of the given 20 minutes periods may occur because of the pre-recorded talk's duration. Please join the session in time so you will not miss the talk you have particular interest in.

## 8<sup>th</sup> January 2021, Friday

12:00-12:20	<b><u>Tamás Székely</u></b> Progress update on the achievements and future plans of the ÉLVONAL project
12:20-12:40	<b><u>Vojtěch Kubelka</u></b> ÉLVONAL – Data collection in 2020 – Worldwide location overview
<b>Webinar 1: Behavioural observations (12:40-16:00)</b>	
<i>Moderator: Tamás Székely</i>	
12:40-13:00	<b><u>Tamás Székely</u></b> How to collect behavioural observations on sex roles
13:00-13:20	<b><u>Zitan Song</u></b> Incubation observation in China population
13:20-13:40	<b><u>Narhulan Halimubiekh and Yoelou Liu</u></b> The practice of behavioural observation protocol in China
13:40-13:50 coffee break	
13:50-14:10	<b><u>Nolwenn Fresneau</u></b> ÉLVONAL courtship and chick care observations
14:10-14:30	<b><u>Esmat E.M. Elhassan</u></b> Courtship and chick care observation Red-wattled Lapwing <i>Vanellus indicus</i> in UAE: practical experience with pros and cons
14:30-14:50	<b><u>Tafita Miaoro, Sáma Zefánia and Tamás Székely</u></b> Collecting behaviour observations in Madagascar
14:50-15:10	<b><u>Anastasiya Kuzmiankova, Vyacheslav Khursanov and Natalia Karlionova</u></b> Courtship and chick care observations of Northern Lapwing in Belarus
15:10-15:30	<b><u>Vojtěch Kubelka</u></b> Courtship and chick care ÉLVONAL observations – practical tips
15:30-16:00	General discussion
16:00-16:10 coffee break	
<b>Session 1: ÉLVONAL fieldworks, part I – Europe and America (16:10-18:30)</b>	
<i>Chair: Fanni Takács</i>	
16:10-16:30	<b><u>Mirjam Topi</u></b> ÉLVONAL Fieldwork Plan for 2021 in Albania
16:30-16:50	<b><u>Vladimir Mladenov and Ralitsa Georgieva</u></b> 2020 ÉLVONAL fieldwork at Burgas Lakes, Bulgaria
16:50-17:10	<b><u>Ádám Kiss</u></b> Nest site selection and breeding ecology of Collared Pratincoles ( <i>Glareola pratincola</i> ) in Nagyunság, Hungary – fieldwork experiences 2020
17:10-17:30	<b><u>Natalia Karlionova, Anastasiya Kuzmiankova, Vyacheslav Khursanov</u></b> Study of breeding behaviour of Northern Lapwing <i>Vanellus vanellus</i> at Turov meadow and surroundings, Belarus 2020
17:30-17:50	<b><u>Vojtěch Kubelka</u></b> Understanding the mountain ghost – Eurasian Dotterel in Finnish tundra
17:50-18:10	<b><u>Alison Pierce</u></b> Challenges and opportunities of monitoring Mountain Plover ( <i>Charadrius montanus</i> ) in Park County, Colorado, USA
18:10-18:30	<b><u>Mauritio Ugarte-Lewis, Carla Llerena and Vojtěch Kubelka</u></b> ÉLVONAL fieldwork plans in Peru

## 9<sup>th</sup> January 2021, Saturday

<b>Session 2: ÉLVONAL fieldworks, part II – Asia and Australia (9:00-11:30)</b>	
<i>Chair: Zsófia Tóth</i>	
9:00-10:00	<b>Zhengwang Zhang, Yang Liu, Pinjia Que, Lei Shi, Zitan Song, Yachang Cheng, <u>Narhulan Halimbek</u>, Chenjing Huang, Peng Ding</b> ÉLVONAL shorebird study in China - a retrospect and prospect
10:00-10:10	coffee break
10:10-10:30	<b><u>Lucy Doran</u>, Grainne Maguire, Mike Weston</b> The influence of human disturbance on parental care in hooded plovers
10:30-10:50	<b><u>Kees Wanders</u></b> Ringed Plover incubation behaviour in Tobseida (Western Russia)
10:50-11:10	<b><u>Esmat. E.M. Elhassan</u>, Eva Vozabulová, Martin Sládeček, Kateřina Brynychová, Veronika Janatová, Firlova Veronika, Lucie Pešková, Aisha Almuheri, Miroslav Šálek</b> Breeding Ecology of Red-wattled Lapwing <i>Vanellus indicus</i> in Arabian Desert, Dubai, UAE
11:10-11:30	<b><u>Miki Bar-Ziv</u> and Orr Spiegel</b> Flight initiation distance reveals that Spur-winged lapwings ( <i>Vanellus spinosus</i> ) from urban habitats are less responsive to two types of approaching threats
11:30-12:30	lunch break
<b>Session 3: ÉLVONAL fieldworks, part III - Africa + conservation, data base (12:30-14:10)</b>	
<i>Chair: Vojtěch Kubelka</i>	
12:30-12:50	<b><u>Romy Rice</u></b> Investigating the breeding ecology of the Cream-coloured courser ( <i>Cursorius cursor</i> ) in Cape Verde
12:50-13:00	<b><u>Claire Tanner</u></b> A new SA site: Berg River
13:00-13:20	<b><u>Salah Telailia</u><sup>1</sup>, Imed Djemadi, Khalil Draid, Rezagui Maroua, Boulaouad Belkacem Aimene</b> Prospection and preliminary data of ÉLVONAL project in Algeria (during the pandemic)
13:20-13:40	<b><u>Fanni Takács</u></b> From science to education and conservation
13:40-14:00	<b><u>Zsófia Tóth</u></b> Global plover database
14:00-14:20	coffee break
<b>Webinar 2: Nest fate determination (14:20-16:00)</b>	
<i>Moderator: Vojtěch Kubelka</i>	
14:20-14:40	<b><u>Vojtěch Kubelka</u></b> Nest fate determination and the exposure time computation
14:40-15:00	<b><u>Anastasia Popovkina</u> and <u>Mikhail Soloviev</u></b> Experience in nest fate determination of shorebirds in the Russian Arctic
15:00-15:30	<b><u>Brett K. Sandercock</u></b> Estimating nest fate and nest survival for waders
15:30-16:00	General discussion

16:00-16:10	coffee break
<b>Session 4: Breeding ecology of shorebirds (16:10-17:30)</b>	
<i>Chair: Tamás Székely</i>	
16:10-16:30	<b><u>William Jones</u>, Oliver Küger, Robert P. Freckleton, Brett Sandercock, Sama Zefania, Tamás Székely</b> Tropical plovers have extended lifespans
16:30-16:50	<b><u>Cailre Tanner</u></b> Madagascar nest survival
16:50-17:10	<b><u>Nolwenn Freneau, Ivett Pipoly, Dóra Gigler, András Kosztolányi, Tamás Székely, András Liker</u></b> The evolution of sex-roles in shorebirds: a test of three hypotheses
17:10-17:30	<b><u>Anton Ivanov</u></b> Geographic variation of clutch-size in Kentish Plover <i>Charadrius alexandrines</i>
17:30-17:40	coffee break
<b>Webinar 3: Trapping (17:40-19:20)</b>	
<i>Moderator: William Jones</i>	
17:40-18:00	<b><u>Zdeněk Moudrý</u></b> Moudry Traps – introduction of different traps from a trapmaker
18:00-18:20	<b><u>Pavel Tomkovich</u></b> Personal experience of catching waders in Arctic breeding grounds
18:20-18:40	<b><u>Martin Sladeček</u></b> Methods for capturing lapwings and plovers on nest and its efficiency
18:40-19:00	<b><u>Ben Dolan</u></b> Thermal birding
19:00-19:20	General discussion
<b>Closing</b>	

Please note that: start and end times of each sessions are normative time frames. Extension or shortening of the given 20 minutes periods may occur because of the pre-recorded talk's duration. Please join the session in time so you will not miss the talk you have particular interest in.
